NEWS RELEASE

March 10, 2015

Jordan Sands Opens Eagle Ford Distribution Site

Jordan Sands, LLC has begun stocking product at the Terracor facility in Gardendale/Cotulla.
<http://www.terracorgroup.com/files/pdf/cotulla-brochure.pdf>

With the first two products in place, Jordan Sands has begun servicing customer demand on a daily basis and will have three products, 30/50, 40/70, and 100 Mesh, available in the near future.

"In searching for the ideal location to best serve our growing customer base in a dynamic market, it became clear that Terracor was the answer. Located in the sweet spot of the Eagle Ford, it allows us to be the low cost solution to our customers." -**Paul Koster, Jordan Sands Logistics and Customer Service Manager** (pkoster@jordansands.com)
